Speaker: Matthew Milner, DMD

Dr. Milner attended LeTourneau University in Longview, TX where he received a Bachelors of Science in Biology. After undergraduate, he attended the University of Mississippi, School of Dentistry, where he received his DMD. He then completed a one year Advanced Education in General Dentistry at UMC. He went on to specialize in the Graduate Prosthodontics program at Louisiana State University School of Dentistry in New Orleans where he received his Certificate in Prosthodontics. While in his residency at LSU he took both the written and practical exams to receive his certification as a CDT (Certified Dental Technician). Upon completion of his Prosthodontic Residency, Dr. Milner joined Dr. Brock Westover, in Jackson, MS, where they formed Summit Prosthodontic Specialists.

REGISTRATION CANCELLATION

To provide each course participant with a focused and personalized educational experience, the number of registrants is limited for each course. Registration is accepted on a first-come, first-serve basis. BIOMET 3i reserves the right to cancel a course no later than 14 days prior to the course date. Please be aware that BIOMET 3i is not responsible for reimbursement of a non-refundable airline ticket or any other travel expenses in the event that a course is cancelled. BIOMET 3i is an **ADA CERP** Continuing Education Recognition Program recognized provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. BIOMET 3i designates this activity for 6 continuing education credits. Continuing Education credits awarded for participation in the CE activity may not apply toward license renewal in all states. It is the responsibility of each participant to verify the requirements of his/her state licensing board. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.
