

Biographical Information

Jonathan A. Parker, DDS

Dr. Parker is a graduate of the University of Minnesota School of Dentistry. He has treated patients with snoring and sleep apnea for over 23 years and has had a full-time practice in dental sleep medicine in Minneapolis, Minnesota since 2001.

He is a Diplomate of the American Board of Dental Sleep Medicine and the American Board of Orofacial Pain. He is a charter member of the American Academy of Dental Sleep Medicine. He was the recipient of the Academy's prestigious Distinguished Service Award in 2003. He is immediate past President of the American Board of Dental Sleep Medicine.

Dr. Parker is an Adjunct Clinical Professor at Tufts University School of Dental Medicine. He has authored a number of research articles and abstracts evaluating the effectiveness of oral appliance therapy for obstructive sleep apnea (OSA). Dr. Parker has lectured internationally on evaluation and treatment of snoring and OSA. He is well known for developing innovative techniques and protocols to improve patient care and treatment success in dental sleep medicine.
